

Does “Survey Time” put you on edge? “Mock Up” for Success!

Take stress out of the Survey Process with a Mock Survey conducted by Cheryl Boldt RN, LNHA 3 months prior to your survey window!

2 Day Mock Survey Process:

Day 1

7am -Entrance Conference with the Administrator and DNS

7:30am to 7:30pm -Mock Survey in Process

Day 2

6am to 1:30pm -Mock Survey in Process

2:00pm to 4:30pm -Exit Conference with Facility Team

- ▶ A One-Hour conference call will be scheduled prior to your Mock Survey to answer questions regarding the process.
- ▶ Cheryl is available to your team via email and phone after the Mock Survey to assist with any questions or additional information needed.

You may also add:

- An Additional Day to formulate a Plan of Correction with your Facility Team
- An Additional Day to educate staff on the opportunities identified or other training needs identified by the facility that could include: Service Excellence, Charge Nurse Leadership Training, Medicare Utilization and Team-Based Admission Assessment
- An Additional Day to conduct a revisit to determine if your facility is in substantial compliance

* The number of days you choose should be completed 3 months prior to entering your survey window.

Cost for this proactive approach to survey preparation:

- ▶ 2 Day Mock Survey -\$4,000 plus travel
- ▶ Each Additional Day -\$1,750 plus travel

Imagine Peace of Mind as you prepare for a great outcome on your State Survey!
