To Whom It May Concern:

It is my privilege to write a letter of reference for Clint Maun and his company, Maun-Lemke Speaking and Consulting, LLC, as we feel that they do an outstanding job!

Our experience with the Clint Maun program has always been a good one that accomplishes the goals that we set out to accomplish, increased revenue due to increase in census. Simply put, his program works! Once we implemented his program in our facilities, we saw an increase in census growth of 10 to 15 patients on average in each.

Clint works hard with the teams and keeps them on task working toward the common goal. He and Cheryl Boldt are a great team, knowledgeable in the business with a dedication to seeing the job through to the end with the desired results. It is my pleasure to recommend their services to anyone who desires to improve their business. Should you have any questions, please feel free to contact me.

Sincerely,
