To Whom It May Concern:

As the C.O.O. of Central Management Company, LLC, I am pleased to write this letter of recommendation on behalf of Clint Maun and his company. Maun-Lemke Speaking and Consulting, LLC, has done an outstanding job and delivered the results we were seeking!

Recently, we had eleven of our centers participate in Clint's program and our ending results were incredible. We gained 83 in census and 62 in skilled! Increase in census, means increase in revenue and that is another accomplished goal. We have never regretted our decision to partner with the Clint Maun program as the program's initiatives deliver the desired results.

Clint and Cheryl Boldt work well together as a team and know how to get our staff motivated to accomplish the census goals. It is a pleasure to recommend their services and to commend them on a job well done. Please consider Maun-Lemke Speaking and Consulting, LLC, you will not regret it! Should you have any questions, please feel free to contact me.

Sincerely,
