Dear Cheryl:

On behalf of the IHCA Board of Directors, staff and education committee, I would like to take this opportunity to thank you for presenting at the Indiana Health Care Association 2008 Annual Spring Conference in French Lick, Indiana.

As requested by many of the speakers, I have included a summary of the evaluations collected from your session. On the evaluation forms, attendees were given space to write in their own comments about the session. I have included these comments, if there were any.

I hope you found speaking for IHCA a valuable and enjoyable experience. Thank you for your support of the association. I look forward to the opportunity to work with you again.

Sincerely,

Jill Bureson
